87 REPORTS FROM KEN MAFHAM

Ken Mafham summarised the current state of the KTC plan and the map. At the request of the owner of the Caravan site any reference to this site has been removed. Ken stated that the NP should say a development brief should be prepared even though Broxtowe had asked we did not do this. It was agreed that the plan presented be approved with minor amendments to the map (date etc.)

A cover picture for the plan was discussed Cllr Rood is to approach the owner of a listed building (currently used as a Nursery) for permission to take a picture of the front of the building with a view to this being used on the front cover of the plan. Subject to approval by the Committee.

Mr Barksby said that bulldozers were knocking down trees on the Brewery Site. These trees have preservation orders on them. Ken Mafham is to send a report on the TPO's to the clerk for onward forwarding to the planning department at Broxtowe BC to ask for a stop notice to be issued.

It was thought that KTC should formulate a brief- if trees are knocked down new trees should be planted.

It was noted that a meeting of SOBs will take place in the Committee Room on 21st May 2019 when the situation regarding the TPO's will be discussed.

88 PUBLIC QUESTION TIME

Mr Barksby has agreed to obtain the original house numbers for the brewery site together with the current numbers.
