AROUND IN THE WORLD 80 DAYS

A hilarious child-friendly show for the whole family

It's 1872. The Nightingale has struck again! The famous art thief has stolen three paintings from museums around London and is now attempting to flee the country for the safety of foreign soil.

At the same time, Phileas Fogg and his new valet Passepartout are attempting to go Around The World In 80 Days in order to win a bet of £20,000.

But is that just a cover story to hide the dastardly escape of The Nightingale? That's what Scotland Yards finest detective, Chief Inspector Fix, believes and he will stop at nothing to capture our heroes.

Join Rain or Shine Theatre Company for a knock-about adventure full of mishaps, tomfoolery, British stiff upper lip, curious camels, and lashings of comedy!

* * For your peace of mind, tickets are fully refundable (including booking fees) should we need to cancel a performance in these uncertain times. **
