

The Queen's Platinum Jubilee Beacons

2nd June 2022

Further to the announcement from Buckingham Palace on 2nd June 2021, regarding the Platinum Jubilee Weekend of 2nd - 5th June next year, of which The Queen's Platinum Jubilee Beacons is part, I have pleasure in sending you the first edition of the Guide To Taking Part. The beacon lighting event will take place throughout the United Kingdom, Channel Islands, Isle of Man, UK Overseas Territories and for the first time, in each of the capital cities of the Commonwealth countries on the 2nd June next year.

Pages 11, 12, 13 and 14 show the various types of beacons to be used for this historic occasion that can be lit in farmers fields, on country estates, on the top of high hills, around our shorelines on cliff tops and on beaches, with gas fuelled beacons on church towers and castle battlements and permanent beacon braziers made and lit by craftsmen and women in the centre of town and village greens, providing a lasting reminder of this historic moment in the history of The Queen's reign.

Those wanting to take part are being asked to go to page 10, and provide us with the information requested in Step 1, enabling us to include them in the monthly guide updates over the next eleven months, as well as entering them in the special leather-bound book being presented to The Queen after the Jubilee Weekend, along with being able to send them further information in due course. The guide can also be viewed and downloaded from www.queensjubileebeacons.com.

Many of those receiving this communication will already have permanent beacons in place, so please light them for this occasion.

From pages 16 - 27 you will see those, to date, that have already agreed to take part around the UK and the Commonwealth. These lists and pages in the guide will be added to over the next eleven months as more communities etc, join the project.

From the guide, you will see that we are involving town criers undertaking the Proclamation at **1pm** announcing the lighting of the beacons that evening and pipers playing *Diu Regnare* at **9.09pm**, before the beacons are lit at **9.15pm**.

With this in mind, you may wish to consider sourcing a local piper to play this tune at your beacon location before you light your beacon at **9.15pm**. If this is the case, please register your piper in a similar way to your beacon by no later than **1st June** next year.

This could well be the last chain of beacons lit during The Queen's reign, so we want to make it the largest and most dramatic the world has ever seen. We do hope therefore, that you will help us achieve this by taking part in lighting a beacon at **9.15pm** on 2nd June next year.

My warmest regards,

Bruno Peek
