

Cllr Will Mee Report for Full Council 24th April 2025

Housing Issues

I am currently dealing with a housing issue surrounding movement of banding. I am currently in contact with the council over this.

Pothole Reporting

Main Street mini roundabout: a member of the public had already reported these, with the council coming out and marking them up. I was then contacted by a resident who said they had still not been filled. I then re-reported them and they were filled.

Stocks Road: Potholes reported on stocks road. Inspection to be carried out shortly.

Hall Om Wong

Alongside councillor Cooper I have been involved in putting pressure on the council to improve disabled accessibility on Hall Om Wong park.

CCTV Van

After recent anti-social behaviour in Kimberley we have been in touch with police to try and obtain a mobile van with CCTV to visit Kimberley.
